

AMENDMENTS TO THE CLAIMS

1. (Currently amended) A treatment for the control of algae in aquatic environments comprising an algicide in an amount of from 5.85% to 20.10% by weight of the treatment, and a pH stabilizer.
2. (Currently amended) A treatment for the control of algae in aquatic environments comprising an algicide in an amount of from 5.85% to 20.10% by weight of the treatment, and a clarifier, and a surfactant.
3. (Currently amended) A treatment for the control of algae in aquatic environments comprising an algicide in an amount of from 5.85% to 20.10% by weight of the treatment, a pH stabilizer, and a clarifier.
4. (Currently amended) A treatment for the control of algae in aquatic environments comprising an algicide in an amount of from 5.85% to 20.10% by weight of the treatment, and a sanitizer reducer/enhancer.
5. (Currently amended) A treatment for the control of algae in aquatic environments comprising an algicide in an amount of from 5.85% to 20.10% by weight of the treatment, a clarifier, and a sanitizer reducer/enhancer.
6. (Currently amended) A treatment for the control of algae in aquatic environments comprising an algicide in an amount of from 5.85% to 20.10% by weight of the treatment, a pH stabilizer, and a sanitizer reducer/enhancer.
7. (Currently amended) A treatment for the control of algae in aquatic environments comprising an algicide in an amount of from 5.85% to 20.10% by weight of the treatment, a pH stabilizer, a clarifier, and a sanitizer reducer/enhancer.

8. (New) A treatment according to claim 1 further comprising a surfactant.
9. (New) A treatment according to claim 3 further comprising a surfactant.
10. (New) A treatment according to claim 4 further comprising a surfactant.
11. (New) A treatment according to claim 2 wherein the clarifier is present in an amount of less than 12.55% by weight of the treatment.
12. (New) A treatment according to claim 3 wherein the clarifier is present in an amount of less than 12.55% by weight of the treatment.
13. (New) A treatment according to claim 5 wherein the clarifier is present in an amount of less than 12.55% by weight of the treatment.
14. (New) A treatment according to claim 1 wherein the treatment does not include a sanitizer.
15. (New) A treatment according to claim 2 wherein the treatment does not include a sanitizer.
16. (New) A treatment according to claim 3 wherein the treatment does not include a sanitizer.
17. (New) A treatment according to claim 4 wherein the treatment does not include a sanitizer.
18. (New) A treatment according to claim 5 wherein the treatment does not include a sanitizer.

19. (New) A treatment according to claim 6 wherein the treatment does not include a sanitizer.

20. (New) A treatment according to claim 7 wherein the clarifier is present in an amount of less than 12.55% by weight of the treatment, and wherein the treatment does not include a sanitizer.
